

HALLOWEEN

I am a monster. I am a bear.
I am a skeleton. Beware!
I am a jack-o-lantern. I am a ghost.
We put on our costumes and we scare our host.

Chorus:

Trick or treat, trick or treat
We shout at every door!
Please give us some candy,
Some popcorn and more! (Repeat)

I am a witch. I'm a pirate, too.
I am a devil. I like to frighten you.
I am a princess. I'm a circus clown.
We're not scary. We won't make you frown.

(Repeat Chorus)

(Suggestion: This song works well in a program. Make Halloween paper puppets, or use those offered through Sing, Dance, Laugh and Eat Quiche, and assign everyone a character. In a large class, two or more students may dress up as each character.)
