

## LET'S GO TO THE ZOO

Let's go to the zoo.  
Let's see all the animals.  
Let's go to the zoo, zoo, zoo  
Let's see all the animals.

The gorilla seems ferocious.  
The giraffe is very tall.  
The elephant looks very big.  
The kangaroo's the best of all.

Let's go to the zoo.  
Let's see all the animals.  
Let's go to the zoo, zoo, zoo  
Let's see all the animals.

The gorilla seems ferocious.  
The giraffe is very tall.  
The elephant looks very big.  
The kangaroo's the best of all.

(Repeat chorus)

*(Actions: Look as ferocious as an unusually mean gorilla, stretch tall like a giraffe, put hands down at your sides to be as big as an elephant, and jump up and down like a very silly kangaroo!)*
