

CD 1 ⑧ - Song time :
LISTEN TO ME

*Listen to me, listen, listen,
Listen to me, listen.*

*I close my eyes,
I clap my hands,
One, two, three, four, five.*

*Now close your eyes
And clap your hands,
One, two, three, four, five.*

*Close your eyes, clap your hands,
One, two, three, four, five.
Close your eyes, clap your hands,
One, two, three, four, five.*

*Listen to me, listen, listen,
Listen to me, listen.*

*I open my eyes
And look at my nose,
One, two, three, four, five.*

*Now open your eyes
And look at your nose,
One, two, three, four, five.*

*Open your eyes, look at your nose,
One, two, three, four, five.
Open your eyes, look at your nose,
One, two, three, four, five.*

*Close your eyes,
Open your eyes,
Look at your nose,
Clap your hands,
One, two, three, four, five ;
One, two, three, four, five.*
