

Dessiner une ove

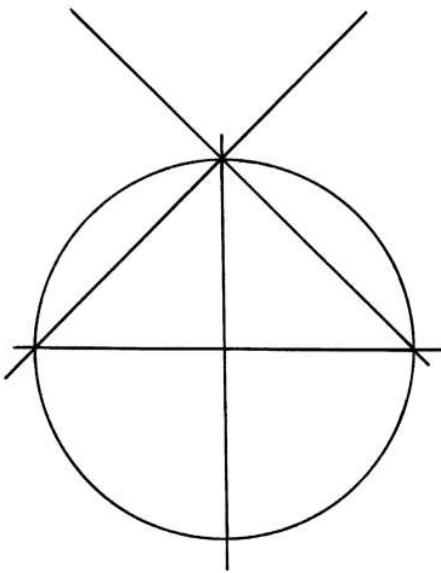

Le dessin ☺

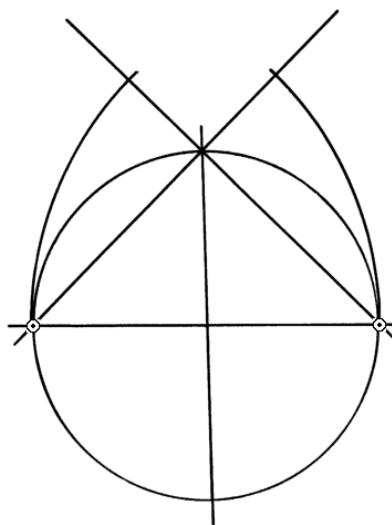

1. Je trace un cercle de centre O et de diamètre AB.

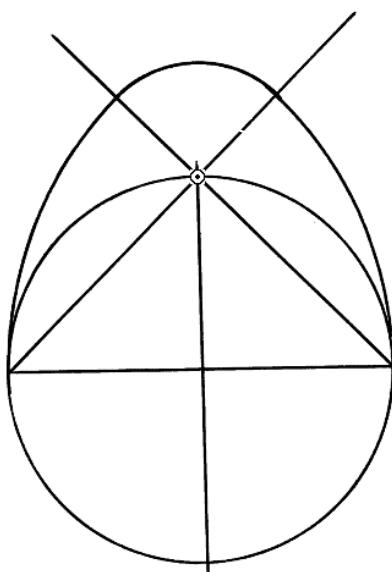

2. Je trace la médiatrice de AB qui coupe le cercle en C et D.

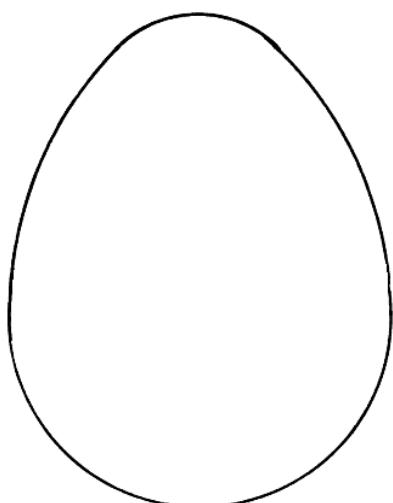

3. Je trace les droites AC et AD.

4. Je trace les arcs de cercle de centre A et B, tous deux de rayon AB.

5. Je trace l'arc de centre C.

6. J'efface les traits de construction.
